

## Introducing... the Canadian Christian Forest in Israel!

Now you can plant trees in the Jewish National Fund  
Canadian Christian Forest.

Located in the central Galilee region, between Nazareth and Mount Tabor, this picturesque forest has been designated as the **Canadian Christian Forest** in tribute to our Canadian Christian friends who share a love for the Land of Israel.

Celebrate a special occasion or commemorate the loss of a friend or loved one.

Choose from a selection of beautiful cards and add your own message.

Trees \$18 each  
or purchase a TREE BANK  
10 trees for \$150.

Now, when you **visit** Israel, you will be able to see the  
Canadian Christian Forest in Beit Keshet in the Galilee.
