Course Description:

In His Word, God tells us that the Last Days will be marked by sweeping and increasing deception as peoples, societies and nations turn themselves more steadfastly against the truth of God and His word.

We live in an age where honesty is in short supply and lies abound; where the very existence of truth itself is questioned and often rejected. The deception of the Last Days is now all around us and is increasing just as God told us it would.

Study what God told us of the deception of our days and look at the evidence that it is here. Examine what this means for faithful believers who desire to honour God until the very day of Jesus' coming.

John has been a student of God's Word for many years and has a deep love and sense of awe for the Scriptures. He loves to share the truths of God's Word so that His people may grow in their love for their Saviour and live a faithful life of obedience unto Him.

John and his wife Joy are parents of four children and make their home in Stratford, Ontario.
