### Course Description:

The great hope of the church throughout the ages has been the promise of Jesus' return. And yet, today, that promise is being mocked within our society and even within parts of the church. The Spirit of God moved upon Peter to warn us that such a day would come, writing,

*"Know this first of all, that in the last days mockers will come with their mocking, following after their own lusts, and saying, "Where is the promise of His coming?"*  
II PETER 3:3, 4A

Are those who mock the promise of His coming right? Is there no evidence of His return to look for or has God revealed to us the signs that will precede His coming? Thankfully, we have not been left uninformed, but God has graciously told us what to look for. And the evidence is now all around us! The problem is that many people do not know what the signs are and are uninformed concerning what is really happening in our world in fulfillment of those signs. But they all point to one thing – Jesus is coming soon and we must be ready!

John has been a student of God's Word for many years and has a deep love and sense of awe for the Scriptures. He loves to share the truths of God's Word so that His people may grow in their love for their Saviour and live a faithful life of obedience unto Him.

John and his wife Joy are parents of four children and make their home in Stratford, Ontario.
