Course Description:

We live in a world that once had a great respect for the “Good Book” but now openly mocks it and those who believe it to be the Word of God. The Bible has not only lost its place in society, but it is losing its position in the church as well.

How can we know that the Bible is truly the Word of God? Can it really survive the challenges of science and philosophies of man? After all, if it cannot, then the apostle Paul was right to call us who believe its message the most pitiable of men.

The trustworthiness of the Scriptures is the bedrock of our faith for everything we believe is rooted in its truths. The church must be settled in its conviction that the Bible is the very revelation of God to man!

Study why we can trust the Bible and why it matters.

John has been a student of God's Word for many years and has a deep love and sense of awe for the Scriptures. He loves to share the truths of God's Word so that His people may grow in their love for their Saviour and live a faithful life of obedience unto Him.

John and his wife Joy are parents of four children and make their home in Stratford, Ontario.
