Course Description:

In His Word, God tells us that the End Times will be marked by 'birth pangs' - changes and events of increasing frequency and intensity - that will build until the Kingdom of Jesus Christ is established upon the earth.

We see this happening with increasing clarity and certainty in the days in which we are living. The events taking place around us are truly without precedent in human history and are rapidly reshaping everything in the world. This is particularly true of the COVID-19 pandemic which is being used to usher in the fulfillment of End Times Bible prophecy.

But these birth pangs are not limited to COVID-19 but are rippling through nature and even the church itself.

Study what God has said concerning his final hour and how to live faithful lives for His glory making ourselves holy and ready for the imminent return of Jesus our Saviour and God!

John has been a student of God's Word for many years and has a deep love and sense of awe for the Scriptures. He loves to share the truths of God's Word so that His people may grow in their love for their Saviour and live a faithful life of obedience unto Him.

John and his wife Joy are parents of four children and make their home in Stratford, Ontario.
